Fellow Georgia and South Carolina SAR Compatriots,

Due to the extensive number of Compatriots and Daughters who are planning vacations during the months of June, July, and August 2021, I am **rescheduling the date for the 240th Siege of Augusta Commemoration to Saturday, September 18, 2021.**

For your comfort and convenience and that of your ladies, the majority of the commemoration activities will take place in the 400-seat capacity Kroc Center Auditorium beginning at 11:00 AM.

This new date will follow the Constitution Day Ceremony at St Paul's Church on Friday, September 17, 2021 that is sponsored by the DAR and supported by a GA SAR Color Guard element.

I am sorry for this change of date and hope it does not inconvenience you.

I am reworking the Invitation to be sent out in the next day or so.

Sonny
